

## In Protection Of Our ...

---

**Artist Name:** Andrea Smith

**Size:** 30 X 40

**Frame Size:** 0 X 0

**Category:** Original

**Medium:** Watercolor

**Product type:** UNIQUE

## Description

---

Our future growth is dependent on the love, nurturing and protection we extend to our children. By living in the light and surrounding our children with love, we allow them to safely grow and blossom. They then journey out into the world and are able to give back the love they have experienced. This image was originally in the 1992 Calendar and again in the 2006 Calendar.
