

The Rainbow of Humani...

Artist Name: Andrea Smith

Size: 30 X 40

Frame Size: 0 X 0

Category: Original

Medium: Watercolor

Product type: UNIQUE

Description

Being a perfect blend of light, the rainbow glows with its various hues. Humanity is very much like the rainbow. Each spirit with its own tone and vibration makes up a part of the rainbow. Together we create a physical blend of humanity sharing this earth experience. We each make up part of the perfect harmony. Love and respect encourage each of us to shine. September 2005 Calendar Original.
