## Description

---

Antique Baccarat yellow pompon and red bud paperweight. Numerous tiers of thin C-shaped canes, in pale yellow, radiate around a central green arrowhead cane to form a delicate pompon blossom that grows from a green curved stem, with two opposing leaves, and is crowned with five leaves and a contrasting red bud. Alternating white and red canes form a border garland around the flower. Clear, star-cut ground. Extremely fine condition. Diameter 2 9/16".
