Description

Robert Wyland, commonly known as Wyland, (b. 1956, USA) - "Orca Moon" (2004) is a Hand Signed and Numbered (33/500) Serigraph on paper. In it, the image of a solitary orca under a brilliant moon speaks for itself. The piece measures 22" X 22," is unframed and ships free in the US. Marine wildlife artist, Wyland, paints in watercolors and oils, and is known for celebrating underwater sea life in his paintings and bronze sculptures. Many of his works are large, outdoor murals of whales and other ocean life.
