Description

Sonia Delaunay (1885 - 1979, Ukraine, France) "UNESCO - Année internationale de la femme (International Women's Year) 1975" is an original lithograph with plate signature. The poster was designed by Sonia Delaunay, produced in collaboration with the International Association of Art. The printer was Ateliers Moulot in 1975. The abstract work of art is an example of orphic cubism, and measures 30.5" x 22." The matting and frame increases the measurements to 39" x 27." Shipping is free in the USA. The United Nations International Women's Year aimed to promote new efforts in the struggle to end discrimination against women. The year also marked the first of a series of world conferences on women, in Mexico City, culminating in Beijing in 1995. These conferences have galvanized understanding, interest and action concerning the advancement of women around the world. The poster was designed by Sonia Delaunay, produced in collaboration with the International Association of Art.
