Description

JEAN DUBUFFET (1901-1985, France) "Centre Georges Pompidou Poster" created for an exhibit held 23 Sept. - 23 Nov. 1981. It measures 28" x 20" and the text reads, "Sites aux Figurines, Psycho Sites" (sites with psycho-site figurines) advertising the exposition of this name at the Pompidou Musée National d'Art Moderne. This image is an example from the artist's series of works in which he limited himself to the colors red, white, black, and blue.
