## Description

---

Keith Haring (1958 - 1990) Untitled American Flag - Adorable image created as a flyer for the "American Music Festival - New York City Ballet" (1988.) The dimensions of this reproduction\* print are 7 x 11 inches and with the mat and frame, it measures 13.5 x 17.5 inches. Haring utilized his signature cartoon figures, placing them against 'Old Glory' leaping, dancing, and tumbling down the flag, while hitting and nudging the stars and stripes as they make their way down the American flag. It's hilariously tongue-in-cheek, as Haring's artworks always were. The image was included in the Keith Haring Printbook (1993.) \*This reproduction is copyrighted by the Keith Haring Foundation; Licensed by Artestar; Published by McGraw Graphics.
