Description

LeRoy Neiman (1921 - 2012, American) "Fox Hunt" (1974) Limited edition color screen print/serigraph on paper, pencil-signed by the artist in the lower right, numbered 298/300 in the lower left. The image measures 20.25 x 27 inches, and with full margins, matting and frame with glass, the piece is 31 x 36 inches. Note: there is some slight, pale discoloration and a few small speckles in the margins, but the work of art is in otherwise good studio condition. Depicted is a modern rendering of the English pastime known as the fox hunt with properly attired riders on horses chasing the bushy red-tailed foxhounds in a boldly colored and detailed wildlife scene.
