Description

Rene Gruau (1909 - 2004, Italian) "Gold Rolls Royce" aka 'La Rose de Bagatelle' (1989) Limited edition color screen print on high quality paper, hand signed and numbered (163/300) by the artist. The sheet measures 35 x 46 inches, and with the matting and frame, the work of art is 45.5 x 56.5 inches. There is also a plate signature in the lower left and two blind stamps in the lower right margin. Note: There is some wear on the frame and pale ink saturation at perimeter of image, otherwise in apparently good condition. Featured is a chauffeur driven gold Rolls Royce apparently transporting a passenger elegantly holding a red rose in a black gloved hand. Gruau often used simple lines and crisp colors of black, red, and yellow to create his images. This image was used as an advertising poster imprinted with: 'Automobiles Classiques a Bagatelle; Le 11 Septembre 1988'; an auto rally (concours d'elegance) held by the magazine, "Automobiles Classiques" at the Parc de Bagatelle Rose Ga
