Description

Itzchak Tarkay (1935-2012, Israel) "Diane Remembers" (1997) aka 'Red Hat' - This is a limited edition, hand signed color serigraph, numbered 340/350. Depicted is a woman wearing a large red hat seated in an armchair with a floral arrangement to the left and an open window to the right. She is clothed in and surrounded by rich harmonious colors. The sheet measures 12.5 x 16.5", and with mat and frame it is 24 x 27.5" encased behind glass in an ornate wood frame with hanging hardware on the verso. The condition of the work of art appears excellent as the colors are brilliant and appear to be in their original unfaded state. Note this print is currently framed and has not been removed for further inspection.
