Description

EXTREMELY RARE mixed media drawing of mystical figures by a magical artist! Mary did these drawings up until her passing in 2001 - also see photos - with wall full of drawings. This piece is especially unique and rare because it is drawn on the backside of her father's law stationery - see photo! Mary Nohl signed bottom right corner. Mary Nohl artwork is impossible to find as she willed her entire estate to the Kohler Foundation upon her death. This is about as rare and unique a piece that you will EVER be able to locate or own. Certificate of authentic and provenance provided with purchase. Check out the large collection of pieces offered including numerous colored drawings, countless pieces of ceramics, jewelry, sketch books, carvings, and other personal items - to be added as time allows. Get them when you can!
